Please briefly present your organisation

LE TOUR DU MONDE EN 80 DÉFIS is an association created in August 2019 in Pau (France) with the aim to promote world's cultural diversity, ecologic transition and social activism. Our main activity is the creation of public media content such as photos, video, articles and other innovative digital tools to raise awareness among youth on global and local environmental, social and cultural issues. This association has been created by people with wide experience in the area of media, photography, videomaking, storytelling, IT and digital marketing.

Telling the stories of those who are fighting for a better future in order to inspire and raise awareness is the main goal of the association.

Our main activities are:

- **Creating media content for social, cultural or environmental purposes.**
- **Promote alternative, eco-friendly ways of living/travelling.**
- **Promote and preserve cultural heritage.**
- **Create innovative pedagogical tools.**
- **Different activities in the field of non-formal education to young people.**
- **Promote European values and Erasmus+ program in the region of Pau.**
